

Donate towards a Ben-Gurion Scholarship and use the lessons of the past to inform the future...

David Ben-Gurion dreamed of creating a Hebrew Oxford in the Negev as a modern Hebrew Yavneh. Today the Ben-Gurion University is the realisation of that dream.

We are commemorating the premiere of “Ben-Gurion, Epilogue” with an appeal to fund a scholarship at the Ben-Gurion Research Institute for the Study of Israel and Zionism. A degree in Israel studies, using the Ben-Gurion Archives, is ideal for students who want to pursue diplomatic or teaching positions related to Israel, the Middle East and the Jewish world. Students gain a thorough understanding of the Zionist movement and its impact on the process of nation building and contemporary Israeli society.

It is our aim to enable a student, unable to afford tuition fees, to study how the lessons learned in establishing the State of Israel can be used to further Israeli civil society, or countries around the world, gleaned from the knowledge of the past.

Your ticket donation today will be designated towards our scholarship appeal.
